

Assisting Hands®
Home Care

Your Home. Our Care.®

Personalized Care

It starts with a complimentary in-home assessment and home safety evaluation. From there our care team establishes a personalized care plan to meet the unique needs of each client.

No detail of importance is too small as we strive to match clients with the most compatible caregivers.

About Us

Assisting Hands Dana Point is a State licensed home care organization, proudly serving families in South Orange County with excellence.

Our compassionate caregivers provide peace of mind, while helping you or your loved ones remain safe and comfortable at home.

We know that providing excellent personalized in-home care is important to our clients and their loved ones, which is why we have built our business and reputation on doing just that.

Assisting Hands® is a leading provider of in-home care, offering customized services to meet each client's unique needs.

Our company was founded on service to others. We truly care about our clients and show it by providing the dignity they deserve to help them maintain a sense of independence and a higher quality of life.

There's no place like home. We want to help you and your loved ones thrive there!

Our Caregivers

Assisting Hands Dana Point caregivers are the foundation of our in-home care services. One of our most important caregiver qualities is that they must be caring, compassionate and dependable people who enjoy helping others.

You can feel confident in knowing that our caregivers are highly trained, bonded, insured, background checked, and certified in CPR.

Our Clients

Assisting Hands® assists adults of all ages and in many situations including:

- Individuals with disabilities
- Facility residents needing assistance
- Following hospitalization or surgery when normal activities may be difficult
