Assisting Hands® Home Care is

A *Trusted* Extension of Your Hospice Team

Fast, Responsive Referrals

We can begin care quickly—often same day—to ensure families have the support they need during emotional transitions.

Trained Caregivers in End-of-Life Support

Our caregivers understand the importance of presence, gentleness, and working seamlessly with hospice providers.

Family Support & Respite Relief

We give family members time to rest, grieve, and be present as loved ones transition.

Companionship & Non-Medical Support

We assist with personal care, feeding, emotional support, and household tasks.

Consistent Communication

We stay in touch with hospice care teams and provide regular updates on client condition, needs, and changes.

Why Partner with Assisting Hands® – Dana Point?

State Licensed, Bonded & Insured

We maintain the highest standards for professionalism and compliance.

Continuity & Compassion

We aim to assign consistent caregivers for a familiar, comforting presence.

Caregiver Matching Matters

We match caregivers not just by skill – but by empathy, patience, and personality.

Hands-On Local Management

We are actively involved in every case. You'll always have a direct line to someone who can act quickly and thoughtfully.

Respect for Hospice Philosophy

We honor your plan of care and never interfere—we support your mission with grace and intention.
